It's more than 4" - Marcus Jordan opens up about having sex with Larsa Pippen

Marcus Jordan and Larsa Pippen appeared on "Two Ts in a Pod" with Teddi Mellencamp and Tamra Judge. The couple shared details about their relationship, with Jordan suggesting that they usually have sex more than four times a night.

It's way more than four."

The hosts were surprised to learn about it and one of them asked Marcus about what draws them together.

"I don't know," Jordan said. "I feel like we just complement each other in so many different ways. Like, whenever I'm having a good day, Larsa supports me and vice versa. Whenever I'm laughing, she kinda helps me pick up the slack."

Larsa jumped in and told Mellencamp and Judge that they never annoyed one another.

"No, it's kinda crazy. No. We spent so much time together, we work out together, we work together. Like, we just do everything together. You know what's funny, when I was single, I always prayed for like a best friend. I was like, 'What do I need?' I really just wanted someone that I could grow with and just have fun with. Lo and behold, he just appeared. He was always there, he was just a friend."
