India-Bangladesh faces the first time in different situations in different situations

Bangladesh and India will take on their first match in the Champions Trophy 2021. India's matches will be in the UAE as the host country does not agree to play in Pakistan. The Bangladesh-India match will be at the Dubai International Cricket Stadium

The match will start at 7pm in Bangladesh time.Bangladesh-India is facing a changing political situation, after the collapse of the Awami League government on August 7, the ousted Prime Minister of Bangladesh has taken refuge in India, since then the foreign ministry and various stages of the two countries have been reversing.

Bangladesh and India, as well as two countries and neighboring countries, face to face in any game can be seen to create a political atmosphere. This is the first meeting between the two countries after August 5, Earlier in September-October, Bangladesh could not create a single contest in, Tests and T20s in India.Bangladesh cricket journalist Sabbir Hossain "The audience will look at the aggressive moments."

"It cannot be said what the political thought of the cricketers' mindsBut if there are matches against India, the visitors look at the field with some separate aggression, "he said.If there is a match against India, there is an additional expectation among supporters of Bangladesh. However, in the cricket reality, Bangladesh is far behind India in terms of statistics and power,

India's supporters also face a match against Bangladesh. Bangladesh-India match viewership has long been printed in the Pakistan-India match in the last few years, broadcasting companies said.

Bangladesh and India are in the Champions Trophy this year, Group A, the rest of the group's two parties in Pakistan and New Zealand
