7 people injured in the July movement were sent to Singapore

Seven people who suffered eye injuries in the July-August movement have been sent to Singapore for better treatment. They were sent to Singapore on BG 0584 flight of Biman Bangladesh Airlines at 8:30 am on Friday.

The seven people who were sent to Singapore with eye injuries are Abdullah Al Baki, Akhtar Hossain, Md. Yamin, Faiz Ahmed, Minhajul Islam Shubo, Mohammad Ramzan and Salman bin Shoaib. Until now they were under treatment at the National Institute of Ophthalmology and Hospital in the capital.

Health Advisor Noorjahan Begum's personal officer on Thursday night. Mahmudul Hasan and the convener of the medical cell convener of the injured of the National Citizens Committee. Mahmud Alam Mitu handed over the flight ticket to them.

Dr. Mahmudul Hasan said he has been working for the treatment of the injured since taking office. Health adviser always searched for the treatment of the injured. We will soon send some more abroad.

Note that a board has been formed for the treatment of eye injuries in the July movement. According to the board's decision, many have been recommended for treatment outside the country. So far, the government has sent 13 people out of the country for advanced treatment. The process of sending some more is going on
