Bangladesh has once again written a story of success in the SAFF Under-20 Championship. In the final, they defeated India 4–2 in a penalty shootout to secure the title for the second consecutive time, with the red-and-green youth team lifting the trophy.

The match was level at the end of regular time, forcing a penalty shootout, where Bangladesh showed composure and clinched the victory.

Earlier, Bangladesh also won the title in the 2024 edition. This latest triumph is therefore seen as a continuation of the team's consistent success.
