A video circulating on social media claims that Jamaat candidates were voting early at the Dhan Kunda School polling station in Ward 8 of Siddhirganj, Narayanganj-3 constituency.

Verification by The Descent shows that this claim is false. At the polling station, Presiding Officer Md. Bashirul Haq Bhuiyan was arranging election materials, and local BNP leaders posted the video to create controversy over these preparations.

Shahina Islam Chowdhury, Assistant Returning Officer in charge of Siddhirganj, stated, “Necessary preparations for the election were being carried out. No activities of any external political party took place. The presiding officer did not participate politically and remained on duty.”

Maulana Abdul Jabbar, Amir of Narayanganj Metropolitan Jamaat-e-Islami, also confirmed that allegations in the video regarding early voting are entirely false. The presiding officer was performing his duties as a headteacher.

In conclusion, the claim that Jamaat voted early in Narayanganj-3 is baseless.
