India fast bowler Mohammed Shami opened up about his hunger for a comeback in the national team ahead of the T20I series against England. Shami is all set to make his return after a 14-month gap as he last played for the country back in November 2023 during the ODI World Cup. Ahead of the series opener, Shami was seen bowling full-throttle during India's practice session at the Eden Gardens, Kolkata and even batted for an hour two days ahead of the first T20I vs England.
